## Play Therapy with Pre-teens and Teens

Therapist often struggle to find ways to effectively communicate with pre-teens and teens in counseling. Play therapy is a natural way to engage this age group in making needed changes and learning new skills. In this workshop, therapist will gain valuable insight into the working of the adolescent mind and how to build and maintain a therapeutic alliance with them.

### Learning Objectives:

1. Learn at least 5 assessment tools for effective treatment planning for pre-teens and teens in play therapy.
2. Understand the rationale and be able to select materials needed for counseling pre-teens and teens in a play therapy session.
3. Know stages of developmental for children 12 to 18 and the impact on play therapy.
4. Learn strategies to consult and advocate with the client, teachers, courts, agencies and parents.
5. Understand the legal and ethics issues of working with pre-teens and teens in Play Therapy.
6. Gain knowledge of the impact of culture when counseling pre-teens and teens.
